

# Account Opening Process

STEP  
01

Download AHL account opening application from google play store by clicking [here](https://forms.ahletrade.com/forms/) or visit our website:  
<https://forms.ahletrade.com/forms/>

STEP  
02  
A

Choose account opening mode. There are two ways to open account at AHL.  
**a) Biometric:** Under Biometric procedure; you are required to visit our office for biometric verification and physical signatures

STEP  
02  
B

**b) Digital:** Digital mode allows you to open the account digitally. You will receive your six digits OTP code on your registered mobile number or on email (in case of NICOP) from 9646 (NCCPL)

STEP  
03

Verify the received OTP code by entering the same digits on our Website / Mobile app.

STEP  
04

Fill account opening form pertaining your details and click submit upon completion.

STEP  
05

Upon submission of the form, you will receive an email listing details and documents required for account opening as per the regulatory regime.

STEP  
06

After submission of all the requisite documents (through email/courier /WhatsApp), your form will be reviewed by our sales team. The sales representative will further route your form to our internal departments to conclude the process.

STEP  
07

Once our internal departments approve the initiated form, your account will be opened within two working days. (In case of insufficient documentary evidence, the time may vary)

STEP  
08

We will send you a confirmation email and SMS on your registered mobile number after your account has been opened in our house.

STEP  
09

You will receive your Login credentials via an email. At this stage, you must download our **Mobile/desktop** trading application by clicking on the link provided. **Finally, commence your trading using the credentials provided.**
